Summit District Unanimous For Water System

Proposal Offered To Get New Fire Fighting Equipment

Assurance that the voters of the Donner Summit Public Utility District are firmly convinced of the necessity for an adequate domestic and fire fighting water supply was evidenced at the polls last Thursday when they voted unanimously to bond the district for $70,000 to provide the service.

There were 18 votes cast and all favored the bond issue.

At the last election for this purpose, the proposition failed to carry by one vote, since a two-thirds majority was required. In the interim, some changes have been made in the district's bounds and all the area east of Castle Creek has been excluded.

One of the first objectives of the district will be studying the possibility of procuring a small fire truck, capable of handling incipient fires. The recent conflagration which destroyed the Soda Springs Store and Post Office, causing the death of one man and the serious burning of a second, as well as creating a great monetary loss, has spurred the plan to prevent any future losses of this nature.

The bonds will be offered for sale at an early date and will be retired in 30 years.

Need for the adequate water system has long been a serious concern with the fast growing resort area property owners. For the past several years, state officials have been demanding that some action be taken to eliminate what they termed a deplorable condition. While most of the owners of property apparently favored the bond issue from the beginning, there was strong opposition in some quarters and the election on Thursday marked the first time that a decisive and conclusive result could be reached.

While the bonds may place a rather heavy burden on the few, spokesmen declare that they are more than willing to shoulder the responsibility since it will protect their interests and assure the continued growth and development of the famous area.

Steps will be taken immediately to start work on the system and sites of water supply are being studied.

DOUBLE BILL WILL FEATURE GAMES HERE TONIGHT

Truckee Athletic Club's basketball team will play the Hawthorne Navy and the 20-30 Club will meet the Truckee Boy Scouts in games here tonight at the high school gym.

The preliminary game between the experienced 20-30ans and the small but fast Scouts will start at 7 P. M. and the main event will commence at 8.

Saturday night, the Truckee AC team will travel to Lincoln to play their first game in the Placer-Nevada League. The first home P-N game with Rocklin was cancelled because of a highway wreck on the summit which delayed the valley team and they did not arrive until 10 P. M. last Thursday. The game will be rescheduled for February 25 at Truckee Al Wakefield, chairman, announced.

Last Saturday night the Truckee ACs played a double header and split the winnings—winning the first from the Reno Print 66-40 and dropping the Fallon game by a 37 to 50 score.

In the second game, newcomer Bob Tonini of Truckee took game scoring honors with 21 points. Anderson of Reno was next with 20. Joe Copeland also a newcomer to the local squad, and Jack Lambres had 11 points each. Truckee led in all quarters.

In the second game, Burt Domgaard was high point man for the locals with 13 points. Charles Fink another new addition to the team here, was outstanding on defense and will aid the club materially.

Goodfellows Coffee Shop Is Reopened

Goodfellows Coffee Shop which had been closed since before the holidays while it underwent its annual clean-up, paint-up program, reopened Saturday. Reg Smart, the manager, said the popular Chinese dishes will be served each Thursday and Saturday evening between 6 and 8 p.m.

Athletic Club Meets Here Next Monday

The Truckee Athletic Club will hold another meeting Monday at 7:30 P. M. at Capitol Hall and a large turnout is expected. Membership in the club is growing and others are expected to join soon. The membership entitles the member to attend all home games durthe year free of charge.

264 Arrested During Last Year In This Area, Says Report

There were 264 arrests made in the Truckee district of Nevada County during 1953, according to a report submitted by Deputy Sheriff Roy Waters to Sheriff Wayne Brown this week.

The arrests wer made by Waters, Constable N. F. Dolley and the California Highway Patrol. and included only those booked at the local jail.

Leading the list of violations were 104 charged with violating the county's sobriety ordinance. Panhandlers totalled 52, while third place went to drunk drivers who numbered 33.

Fourteen were charged with illegal entry, seven with burglary, five with grand theft and the same number with petty theft. Forgery, battery and assault with a deadly weapon each accounted for one and violations of the state liquor laws and defrauding an innkeeper tied with two each.

There was one robbery charge, four booked as deserters from the armed forces, five with violating the fish and game code, nine for miscellaneous offenses and 18 held for investigation.

AWARDS MADE AT LIONS MEET FOR FOOTBALL STARS

The Truckee Lions Club were hosts to the Tahoe-Truckee football team at the regular weekly dinner meeting at Donner Lake Lodge last night.

The award for the most valuable player was presented to Dick Mandeville. Special honors were received by the following:

Dick Mandeville was listed on the All-State Third Team by the Nevada State Journal and was Honorable Mention All-State by the Nevada Register.

Dave Germain was Third Team All-State Nevada State Journal and was picked on the Yerington All-Opponent Second Team.

Lewis Fellows had honorable mention All-State by the Nevada Register.

The high school choral group under the direction of Joseph Mustol sang several selections.

Dr. Minard W. Stout, president of the University of Nevada, delivered the address of the evening. C. R. Heller presided.

A total of $33.06 in fines was added to the March of Dimes fund.

Art Classes Scheduled For Scouts, Brownies

Art classes and instructions will be sponsored by the Wyethia Women's Club for the Girl Scouts and Brownies of this area during the year.

The girls are scheduled to visit the studio of Rafial Jolly on Monday and each month they will either visit or hear a program on art.

To create an interest in the subject, the troops will have an art corner exhibit and each week a different girl will be responsible for the display.

O'ROURKE SPEAKER AT ROTARY MEET

Everett O'Rourke, superintendent of the Tahoe-Truckee Unified School District, delivered an informative talk to the local Rotarians at their regular Monday night meeting held at Brown's Cafe.

A great deal of money and effort have been given the school district in the past five years to bring it up to its present high standard, the speaker said. All of the teachers here have permanent credentials. Also, he said, the district attracts a higher type of person for instructors due to the more equitable salary offered.

Allen Pollock and Fred Pitts of Truckee were guests. Johnny Richards presided and John Ciardella was program chairman.

Injures Arm

Joanne, young daughter of Mr. and Mrs. Lewis Heil of Floriston, was treated at the Tahoe Forest Hospital last week after she had caught her arm in a clothes wringer. Dr. George Hahn said the injury was painful but no serious.

New Fine Fee Is Posing Problem In Lower Courts

Judge Wilson Collecting As Opinion Sought On Issue

Judge Fosten W. Wilson of the Truckee Judicial District Court admits that he is somewhat puzzled by the new law adding penalties to fines but that he will do all in his power to collect the fee.

The new law, which went into effect the first of this month, provides that every traffic violation in the state, excepting parking or late registration offenses, will cost the violator a minimum of $1 over the amount of the fine.

That dollar, under terms of the legislation passed in the closing rush of the legislature in the spring session, will go to the state to help finance local school driver education programs.

Whether the violation is of state motor vehicle laws or of city or county ordinances, the additional penalty is to be assessed, Wilson pointed out.

The law provides that the violator pay an additional fine of $1 for every fine or bail forfeiture up to $20, $2 up to $40, $3 up to $60 and so on. If a jail term is imposed in lieu of the fine, the $1 will be charged anyway.

Judge Wilson has prepared a notice form to be inclosed in all cases handled by mail, directing the defendant's attention to the new law.

The major problem presented by the law is what to do if the violator can not or will not pay the additional assessment. Wilson said he has already been confronted with this problem and is seeking the advice of the district attorney or the attorney general.

"What do you do if a man serves his 30 days in jail then can't o won't pay the dollar?" the judges are asking. "What do you do i he pays the $20 fine, but won't put up the exta dollar?"

While these questions and others are being answered, Wilson is going right ahead collecting the extra assessment.

Women Fined After Drinking Charges

Mrs. Sidney Joergenson, Reno was fined $200 on a drunk driving charge after she appeared before Judge F. W. Wilson in the Truckee court. Unable to pay the fine, she was sentenced to serve 40 days in the county jail at Nevada City. A companion, Mrs. Milly Hensley of Norden was fined $50 following her court appearance on a charge of violating the county's sobriety ordinance.

Both were arrested and booked by Deputy Sheriff Roy Waters.

Sixth Graders Present Program For Local PTA

Pupils of the sixth grade Monday night presented an entertaining program of recitations and songs before the meeting of the Truckee Elementary Parents and Teachers Association at the school. Brownie Troop No. 3, under the leadership of Mrs. Oliver Scow and Mrs. Frank Giovannoni presented a flag ceremony. Mrs. R. G. Leamon presided at the session.

Mrs. James Walker, Mrs. Charles Kay and Mrs. John Gracik, with Principal Lynn Kishbaugh as advisor, were named on the nominating committee to select officers for the next term to begin early in April.

Kishbaugh was also named as chairman for the Founders Day program to be held February 8th and for which plans are already being made.

The sixth grade won the attendance award at Monday's meeting.

Cars Crash

No one was injured when cars operated by Christian J. Pina of Sacramento and Edward F. Routery of San Francisco were wrecked at Soda Springs on Sunday morning. Patrolman William Gautsche cited Routery for illegal parking after his car crashed into the Pina machine which was parked beside the road.

SUNBEAMS

By WALTER M. BARRETT

This year the March of Dimes drive has a goal of $75 million—no small sum even in these days of astronomical figures. And this year the slogan is "Fifty per cent more in '54". Why an additonal 50 per cent? Consider the fact that since 1938 no less than $174 million has been spent by the National Foundation for Infantile Paralysis to aid polio victims and that right now there are some 66,000 polio patients still in need of treatment—a record carryover load. Then consider also the enormous cost of the preventive work, the development of gamma globulin, the only known medical protection against the disease. Twice the amount of gamma globulin used last year is to be available this year. And experts engaged in the tests of this new vaccine declare flatly that if it proves as effective in the mass tests as it has in the laboratories, the battle against polio will have been won. So, every cent of the $75 million being asked for is needed. Let each one of us see to it that the drive goes over the top. Give all you can.

DOLLEY STARTS ON 18TH YEAR AS FIRE CHIEF IN TRUCKEE

N. F. (Tom) Dolley today began his 18th year as chief of the Truckee Fire Department.

Dolley was elected at a meeting of the department held Tuesday night at Cozzi's Cafe. Glenn Coffey was named assistant chief.

Other officers selected for the coming year were H. L. Owens and Robert Seibold, captains; William Englehart, Jr., and William Curran, lieutenants; Phillip Foster, secretary; Heslin Cardinal, engineer; Roy Waters, sergeant at arms.

Plans were formulated for the annual Ladies Night party to be held at Cozzi's Cafe on the evening of February 13th.

CORRELL ORDERED TO TAKE TESTS IN COURT HEARING

Ferman Correll, 49, Truckee culinary worker was ordered taken to DeWitt hospital this week for a psychiatric examination at the request of his attorney, Robert C. Schiffner to represent the man who is accused of smuggling hack saw blades and wire cutters to Jack Santo and Emmett Perkins, convicted murderers.

Correll was arraigned in the Superior Court Monday on the charge. A further hearing on the case will be heard by Judge James Snell tomorrow at 3:30 P. M. after results of his examination are made known.

Correll, arrested near here after a state-wide search had been started denied complicity in the attempted escape of Santo and Perkins, but testimony given at his preliminary placed him at the scene and other circumstances resulted in him being held to the higher court.

State Patrolman L. E. Kelly of Roseville was an official visitor in Truckee this week.

Church Official Explains Ouster Of Pastor Here

Failure to Comply Given As Dismissal Cause By Bishop

Rev. Sidney Winston, pastor of the Truckee and Kings Beach Community churches, this week reiterated his stand that he will not willingly accept an ouster as pastor handed him by Dillon W. Throckmorton, district superintendent at Sacramento and sustained by Bishop Donald H. Tippett of San Francisco.

Winston declared that he was "glad it happened this way". He indicated that similar action had been taken against him years ago, and that the recent action "seems to have brought me out of it."

In a letter to Mrs. George Kamp, secretary of the board of directors of the local church, in response to one written by the board seeking clarification of the controversial matter, Bishop Tippett wrote in part:

"Referring to your letter of January 5th, you will note on page 86 of this year's Annual Conference Journal the name of Sidney C. Winston appears under Question 18-A, and again on page 87 under the supplemental list 2-Approved Supplies who have not yet completed the examination for "on trial". Mr. Winston was one of these and was told by his district superintendent that he would need to complete his examination for "on trial" by September. When he failed, Dr. Throckmorton was lenient and extended the time to October. When he had not completed the work by November, Dr. Throckmorton gave him an ultimatum, stating that he had reported the matter to the Cabinet and that he had told Mr. Winston that he must complete these studies by January 1, or he would be compelled to ask him to leave the appointment under Par. 316.

Rev. Winston said he had not completed the examination as required, but said he had lost the papers and had no idea that the action would be taken so finally.

"Mr. Winston has been given more than fair opportunity to complete these studies and has failed to do so," the letter from Bishop Tippett ended. "I am sorry that both the Truckee and Kings Beach churches have been for a second time subjected to an unfortunate set of circumstances such as these.'

Rev. Winston said he does not propose to cease his fight to retain his status in the church, a goal which he set out to reach 15 years ago.

William Spratts Are Parents of Daughter

Mr. and Mrs. George Waters were happy to receive the announce ment of the arrival of a daughter for Mr. and Mrs. William Spratt at Chico on January 6th.

Pamela Diane weighed 7 pounds and 6½ ounces at birth and is the fifth grandchild and first granddaughter of the local couple.

SON ARRIVES FOR FORMER LOCAL PAIR

Mr. and Mrs. Les R. Deckwa of Broderick have sent announcement to local friends telling of the birth of their son on January 4th. Stephen Roy are his given names and he weighed 7 pounds and 4 ounces on arrival.

The Deckwas formerly resided here and are well known.

TERRY ELLIS WINS SLOGAN CONTEST

Terry Ellis, 4th grade pupil, was announced by Mrs. Fred Pedley, Wyethia Club Safety Committee chairman, as winner of the recent slogan contest.

The slogan submitted by Terry was:

"Racing is for a track, not our roads."

She will receive her award at an assembly in the Truckee elementary school.

A similar contest wil lbe held for students at the high school next month.

Timbermen Meet To Discuss Practices In Forests During Year

A score of local and nearby loggers, mill operators and land owners met at Veterans Memorial building here Tuesday night to discuss changes in the Forest Practices Act to apply during the forthcoming year. The group met with the Forest Practices Committee of the South Sierra Pine Forest District in the first of a series of meetings to determine practices for the area.

Members of the committee at the session included Fred Dunow of Sacramento representing the state division of forestry; Charles Morey of San Francisco, chairman of the group and representing Fibreboard Corp., George Volz of Placerville, small land owner representative, and Cecil Wetzel of the Wetzel-Oviall Lumber Company of El Dorado county. A fifth member of the commitee was unable to attend because of illness. Nelson Stone of the Truckee District, attended for the U. S. Forest Service.

The trend of the meeting pointed to a determination on the part of the operators to save as much of the forest as possible without sacrificing benefits. It was recommended that a given number of seed trees be left on land being cut over and that spoilage be minumized.

In relation to fire protection, the operators asked abandonment of fire breaks and in turn agreed to remove all snags and slash. Forest officials said this exchange of service would be satisfactory.

After the series of meetings, the committee will study the various proposals and formulate definite rules which will be turned over to state and federal officials for enforcement.

Highway Proponents Attend Washington Session To Seek Aid

Advocates of a four lane transcontinental Sierra highway conferred with federal officials at Washington, D. C. this week to clear the way for financial aid for the project.

The California delegation included State Senator Harold T. Johnson of Roseville, author of the bill which earmarked $20,000,000 for the widening of U. S. Highway 40 from the San Francisco bay area to the Nevada state line; D. J. Dobbas of Auburn, president of the Trans-Sierra Highway Committee and Robert Reid, personal representative of Governor Goodwin J. Knight.

The California delegation conferred with Representative Clair Engle, Representative Moss, Senator Thomas Kuchel and Senator William Knowland as well as other federal officials.

It is the desire of the committee that matching federal funds can be made available this year so that work can be started on the project.

ATTORNEY HERE TO OPEN OFFICES

Francis W. Robichaud, Sacramento attorney, arrived this week to establish his new offices in the Riverside Hotel. He will start practice immediately. Robichaud will visit Nevada City this week to meet members of the Nevada county Bar Association and other local officials and acquaint himself with local legal procedures.

Explorer Scouts Asked To Roseville As Guests

Members of the Explorer Scouts of Truckee have been given an invitation by the Roseville organization to tour the railroad yards there as their guests Saturday. All boys interested in making the trip should contact Daven Morey by Friday, January 15 by telephoning 144.

Food Sale

The women of the Women's Society of Christian Service of the Community Methodist Church are sponsoring a cooked food sale to be held at Duane's Donut Shop Friday morning at 10:30 o'clock. An assortment of home-cooked food will be offered.

Names Of Local Jurors Offered For This Year

Changes Suggested Would Add Two Precincts For Voters

In submitting 24 names of residents from his district as potential jurors for this year, Supervisor H. G. Loehr also made recommendation to County Clerk R. E. Deeble and other members of the board of supervisors that two new voting precincts be added in the fifth district.

One of these precincts would be located at Floriston to handle the voters east of Hirschdale and the second would be at Donner Lake to care for those west of Donner to the Summit.

Changes in the Truckee precincts to clarify some confusion, is also recommended by Loehr. Under the recommendation, Truckee Precinct No. 1 would include everyone west from the Floriston boundry to Bridge street in Truckee, including Hobart Mills. Truckee Precinct No. 2 would comprise the area from Bridge street west to the Donner Monument.

No change is suggested for the Soda Springs or You Bet Precincts.

Whether or not the proposed changes will be made rests with the supervisors.

Prospective Jurors

The following names have been submitted by Loehr as potential jurors for 1954 in the Superior Court.

Soda Springs

Doris S. Chaplin, James R. Horak, Helen K. McCarty, Elmo B. Moriano, Gladys Pedley and James A. Sherritt.

You Bet

William J. Russell.

Truckee No. 1

Humbert Ciardella,, Mildred M. Coffey, Guido Cozzi, Ruth Curutcheberry, John A. Gracik, Charles R. Harvey, Millie Kielhofer, David H. Medford, Victor Salvaterra and Elden R. Tonini.

Truckee No. 2

Roxie Archie, Lester H. Braasch, Clinton Brines, Elwood W. Buehler, Gertrude I. Gilson, Claude F. Harrison and Winifred Kamp.

YERINGTON TEAM TO PLAY LOCALS HERE SATURDAY

Tahoe- Truckee's Wolverines lost five basketball games over the weekend—three to Douglas and two to Carson City.

In the first game with Douglas, Friday night, the local girls team lost 42 to 4. Although lacking in points, the girls never were lacking in spirit. They played headsup basketball and proved themselves to be as good losers as they had been winners.

The Junior Varsity game was the next game of the evening and it found the Wolverines on the short end of a 28 to 17 score. Clayton Spining was high point man for Truckee-Tahoe with 12 points.

The Varsity game found Douglas the winner by a 50 to 31 score. Jerry Quam was the high-pointer for Truckee with nine points and Jack Van Hooser followed with eight points.

At Carson City

Saturday night found the Wolverines traveling to Carson City for the next to the last practice game of the season. The Carson Varsity team seemed to do everything right and won the game by a 67-26 score. Jerry Quam was again high-point man with seven.

The Junior Varsity game was won by Carson 56-21. Fred Wofford with five points was high for the locals.

Go to Stewart

This Friday night the Wolverines will travel to Stewart for the last practice game. Saturday night will be the first regular game of the season with Yerington which will be played at the local gym at 7 P. M.

HIGH SCHOOL PTA TO MEET TONIGHT

The High School PTA will hold its regular meeting this evening in the high school cafateria. The session will start at 8 o'clock.

The program will be highlighted by a talk by Miss Raker on the physical education program at the high school. Refreshments will be served following the program.

Girl Scouts Discuss Meals During Meet

Donner Girl Scout Troop held a regular meeting Tuesday in the Veterans Memorial building, playing games and discussing the nutritional value of one-dish meals. Songs were sung at the close of the session. Attending were Ruth Parkhurst, Elethia Marquis, Karen Knoefler, Sandra Van Sickle, Norma Porter, Judy Giovannoni, Mary Anne Faulkner, Lois Freeman and the leaders, Mrs. Oliver Scow and Mrs. Frank Giovannoni.

Bank of America's Annual Report Shows Gains During Year

Its statement of condition as of the year end, shows the Bank of America again reflecting California's general growth with newhigh marks.

At December 31, total resources stood at $8,501,761,721, which is a gain of $300,072,353 for the year.

Total Bank of America deposits reached $7,744,200,095, a 12-month gain of $259,083,912.

Loans outstanding at the year end totalled $4,148,713,734, an increase of $79,563,263 over a year ago.

Investments in securities aggregated $2,531,605,621, which is $117,752,846 higher than a year ago.

President Carl F. Wente stated that net operating earnings before provision for federal income taxes were $125,446,617, as compared to $103,316,287 for 1952. After provision for these taxes and transfer of $12,500,000 to the reserve for possible loan losses, net profit remaining was $55,461,617, equivalent to $2.31 per share on the 24,000,000 shares outstanding. This compares with $50,313,287, or $2.10 per share for 1952.

President Wente observed that federal income taxes were equal to $2.40 per share, which was more than the profits earned for shareholders.

Dividends totaling $38,400,000 were paid out of this year's net profit at the same annual rate of $1.60 per share as the year before, leaving $17,061,617 as an addition to capital funds.

BROCK RESINGS AS AS AGRICULTURE DEPARTMENT HEAD

SACRAMENTO — (CNS) —Resignation of A. A. Brock, state director of agriculture, was announced Friday by Governor Goodwin J. Knight. The resignation will be effective February 1.

Knight emphasized that Brock resigned because of ill health. He said the veteran director, who served under five governors, could have remained had he wanted to.

The governor said he will appoint W. C. Jaobsen, deputy director and an employe of the department for 36 years, as acting director.

In his letter to the governor, Brock said:

"Some time ago my doctor suggested that it would be well if I would give up my responsibilites here.

"I have a few private undertakings that I should like to devote all my time to them. These alone, I believe, will demand about all of my energies at this time."

Brock, who will be 65 this month, was first appointed director of the state department of agriculture by Governor James Rolph in 133. He was continued in office by Governor Frank Merriam and in 1939, during the administration of Governor Culbert L. Olson, resigned to take private business.

He was again appointed director by Governor Earl Warren in 1944 and has held the post since that time.

Brock said he will retire to his ranch in El Dorado County.

IT'S WISE TO ADVERTISE!

OUR DEMOCRACY——by Mat

PRIDE in the HOME TOWN

WHAT WITH THE ADVANCES IN TRANSPORTATION, WE HAVE FAR GREATER OPPORTUNITY THAN OUR FATHERS EVER HAD TO KNOW THE SCOPE AND VARIETY OF OUR COUNTRY. BUT, WITH ALL OUR BROADENING PERSPECTIVE, CANVASS ANY GROUP OF CITIZENS AND YOU'LL FIND THAT LOYALTY TO THE HOME TOWN RUNS AS STRONG AS EVER.

PRIDE IN MAKING THE HOME TOWN A BETTER PLACE TO LIVE IN IS AN ESSENTIAL ATTRIBUTE OF GOOD CITIZENSHIP. THE WAY TO IMPLEMENT IT IS TO TAKE AN INTEREST IN LOCAL GOVERNMENT, AND TO SUPPORT SUCH LOCAL ENTERPRISES AS THE COMMUNITY CHEST, THE HOSPITAL, THE SCHOOLS, THE CHURCHES. THE STRENGTH OF ITS COMMUNITIES IS THE STRENGTH OF OUR DEMOCRACY.

SOUTHERN PACIFIC EQUIPMENT READY FOR BIG STORMS

ROSEVILLE — The Southern Pacific Company's snow fighting equipment is ready to go at a moment's notice when the season's big storms threaten to interrupt train schedules over the Sierra Nevada between Roseville and Sparks, Nevada.

The snow fighting fleet consists of giant rotary plows, flanger cars and specially equipped steam locomotives, many of them with pilot plows.

During storms the rotaries are pushed by famed cab in front articulated consolidated engines each with two engineers, two firemen, a conductor, brakeman, a locomotive machinist and a machinist's helper.

The flangers, which level snow between the rails and plow furrows close to the inside of each rail, are pushed by consolidated type locomotives manned by regular engine and train crews.

Under federal law the train and enginemen are permitted to work 16 hours and during heavy snow it often is necessary to send crews from here to points on the mountain to relieve them.

During the summer the shop forces put the snow fighting equipment in condition for hard use in battling the drifts in the high elevations.

Governor Issues Polio Proclamaton Urging Support of Campaign

PROCLAMATION

During 1953 infantile paralysis hit our state and nation with such tragic force that more than 38,000 people of all ages throughout the United States were stricken by this dread disease.

The National Foundation for Infantile Paralysis has performed a monumental service in aiding those afflicted—assuming costs of patient care, sponsoring extensive research, providing for the recruitment of professional personnel, and supplying thousands of pieces of vitally needed equipment.

Research has brought us to the threshold of success in the battle against polio, and our generous support is needed to help finance the field tests of trial vaccine during the coming year.

Between January 2 and January 31, 1954, volunteers throughout California and the Nation will call upon their neighbors to join in the fight against polio.

It is a matter of vital importance to every Californian that the 1954 campaign be an outstanding success. Therefore, I, Governor Goodwin J. Knight, Governor of California, do hereby proclaim the month of January, 1954, MARCH OF DIMES MONTH, and urge every resident of our great State to give generously to this great humanitarian cause, knowing that as we give, we will be striking a strong and perhaps decisive blow against a cruel enemy of all mankind.

Goodwin J. Knight
Governor.

FIRST AUTO TRIP

The first transcontinental automobile trip, requiring 63 days, was commenced June 18, 1903.

LOG HAULING TO BE TOPIC OF MEET AT EUREKA SOON

Pursuant to House Resolution 120-1953, there has been established an assembly interim committee on transportation and commerce. Within this committee there has been organized a subcommittee to study "problems of log hauling which result from transportation of logs over public roads, and which may be solved or substantially relieved through legislative action.

To accomplish the assigned objective, the subcommittee will hold a public hearing on January 22 at 10 a.m. in the city hall at Eureka to afford opportunity for industry representatives, governmentad agencies and any other interested persons to present pertinent testimony on suggested legislation.

Anyone wishing to present data on the problem may write Mrs. Barbara Miller, committee secretary, Room 4167, State Capitol, Sacramento not later than January 18th so that an agenda can be prepared in advance of the meeting. Frank P. Belotti is subcommittee chairman and other members include Francis C. Lindsay of Loomis, representing this district, Don Hobbie and Charles W. Meyers.

NORTH TAHOE

by HARRY CHARRISON

It has come to my attention that Mr. and Mrs. M. H. Dodd of Kings Beach, realtors, spent a few days with the Russell Elders, Kings Beach residents, who are presently living at Hawthorne, Nevada. The Elders send greetings to their many friends here.

Friends of Mr. and Mrs. Leonard Whaley, who are the proud parents of a bouncing baby girl, Debra Ann, seven and a half pounds, are extending congratulations. For quite a long time Leonard was the telephone maintenance man in this area. That makes two girls for the family.

The Lake Tahoe Lions Club held their first meeting since the holidays. Guests were Walter Mandeville, Jr., son of the vice president, Charles F. Moore, Jr., of the Truckee 20-30 Club. The latter gave an interesting report on the growth of his club.

It would seem that the Miedemas of Kings Beach are on the move again. Sophie has left for southern California taking her mother to Venice to put her house in order. This will be the first time her mother has been back since the death of her husband last October. Arnold is presently staying near the quarantine station in Truckee. A nice big vacation is coming up when he will meet his wife at Pasadena and they will journey to Florida to visit their son and daughter in law. Their son Bill is now in the navy. Happy landings to them.

Fred Brenzel, constable at Bijou has been named chairman of the judges and constables convention to be held at Lake Tahoe September 15, 16, 17 and 18. Fred will have quite a job on his hands but can handle it with good support.

Was standing outside the post office at Kings Beach bemoaning that fact that we of the Community Church (Wee Kirk of the Pines) at Kings Beach, had insufficient money to lay a tile floor in the church when along came Ivan Wilson, mail carrying contractor for our district with a substantial donation from Mrs. Wilson. Wasn't that nice. That reminds me to say if you have some extra bucks, don't throw them away before asking if we need some of it. Thank you. By the way, the church is located at the top of Bear street. If you haven't seen it, just drop by some Sunday and take a look see. You'll be surprised.

Did you ever march in a parade? Boy, what a thrill it is. Find out by joining the March of Dimes. That will be a thrill, too, try it, won't you?

Had a letter from the Loren P. Mosiers of Veran Villa, Crystal Bay. "Just having the time of our lives," writes Vera. "We are galivanting all over the Hawaiian Islands, and Honolulu is just out of this world." "The flowers are gorgeous, and so are these dancing girls," writes Loren P.

C. H. and Mrs. Moseley who recently built a home at Tahoe Vista wrote me that they are leaving for just a wee while.

Saw three cars between Tahoe City and Dollar Hill in the snow on the side of the road, having just slid off the icy patch on the road. It should be remembered that no matter what condition the roads are in, they are only safe if you are a safe driver. I find that 75 per cent of the traffic violations in winter for speeding have been involved in an accident. You may be within the speed limit but you can still be driving without due caution.

Ace Abbott tells me he had a booklet on Hot Springs National Park, Arkansas, from Max and Thelma Burroughs. They are staying there for a while. Arkansas, I am told, is Max's home town where his father was in business years ago. Sure miss the Burroughs at the old stand, The Burrough Resort at Tahoe Vista, which they sold some months ago.

Edwin D. Witter, district governor of Rotary District No. 164, was a visitor at the Brockway Rotary Club meeting held at Cal-Vada at Crystal Bay last Monday. Witter represents parts of northren California and western Nevada. Annual reports were given by committee chairman and each club in the district. M. H. Dodd was chairman and introduced the dignitaries. Dr. H. M. Holmes is the club president.

Jack and Mrs. Braden of Lakeside Resort, Kings Beach, have just returned from a nice leisurely trip to Sacramento, Palm Springs and finally Las Vegas. They tell me that it was really delightful. The weather was perfect when they left here, the same all the way out and back and the same when they returned home.

Sometimes you have to go a long way to meet your friends. Not so with the L. S. Streepers and the Fred Rockholms of Kings Beach These people, driving their cars, met unexpectedly on the Brockway Truckee cutoff on one of those bad and blind turns. Both cars were damaged to some extent but the happiest part of it was neither one of the parties were hurt, which is something to be thankful for.

Harry Johanson, our Tahoe City constable, after being off on a vacation, etc., for a week or two, started back at the old grind again last Sunday. Sue glad to see you back, Harry.

WOMEN'S CLUB TO SPONSOR HIGHWAY CLEANUP PROJECT

TAHOE CITY— The Women's Club of Tahoe held their regular monthly meeting at the Pfeifer House on Thursday, January 7th.

Despite a snowstorm, 23 members were present to enjoy a delicious luncheon served by Mrs. Giannini. This was followed by a short business meeting, conducted by the president, Mrs. Howard Guth.

The Christmas project of the club consisted of the sending of a large box to the Indian children at Weimar, and 26 gaily wrapped boxes of home-made cookies and candy to the Veterans Hospital at Reno.

A very worthwhile project for next spring was discussed—Help Keep Our Highways Clean. This program is in conjunction with the drive being sponsored by the Federation of Women's Clubs all over the state. Not much can be done until the melting of snow in the spring, but the club is asking our winter tourists to please not throw their garbage and other refuse along the highways. It will be an unsightly mess by spring and the club does take pride in the appearance of ou beautiful Lake Tahoe.

Canasta was enjoyed after the meeting.

The next meeting will be held at the Pfeifer House on February 4th at 12:30 P. M.

FOUR INCHES OF SNOW AT TAHOE; TWO GATES OPEN

TAHE CITY — With only four inches of snow on the ground at Tahoe City Monday, the area is experiencing one of its most "open winters" in many years.

Art Frodenberg, observer at the Tahoe gates, reports four and a half inches of snow fell last Thursday with another half inch Friday, bringing .50 of an inch of precipitation.

Snappy weather continues to dominate. The temperature dropped to a chilly 11 degrees Saturday for the coldest morning of the week.

With two gates open, the lake level stood at 6227.17 feet Monday.

Back at Lake—

Mr. and Mrs. Fred Barton, who have been at Reno, have returned to their home at Kings Beach.

GROUP QUESTIONS MOUNTING COSTS AT CO. HOSPITAL

AUBURN — Cost of maintaining the Placer County hospital has increased from $90,253 in 1947-48 to $269,385 allowed for the current year in the preliminary budget, an overall increase of $179,132 in the last seven years, Tax Facts for Taxpayers, monthly newsletter of the Placer County Taxpayers Association, points out in its January 15 issue.

"What has caused this rapid increase in the expense of maintaining the county hospital?" Tax Facts asks, and declares:

"There has been no corresponding increase in the number of patients admitted for treatment. The hospital capacity is 152 beds and has remained so during this entire period. The average number of patients treated annually, including all patients who stayed in the hospital fo one day or longer and including pay patients, custodials, chronic and acute cases, but not clinic patients, varies little from year to year. In fact, according to the superintendent of the county hospital, there are fewer custodial and chronic cases than formerly, since rest homes are taking care of many old age pensioners who used to come to the county hospital. He notes some increase in the number of acute cases, which require medical treatment and hence cost more."

The hiring of a full-time doctor as assistant to the medical director may operate to cut down the cost of hiring "outside doctors".

Doctors and "outside doctors" cost the taxpayers of the county $18,582 last year and for which $15,500 has been allowed in the 1953-54 budget, Tax Facts points out.

PATENTED CAMERA

Thomas Edison applied for a motion picture camera patent on August 21, 1891.

MEMORIAL RACE RECORDS LOST IN FIRE AT SUMMIT

The recent fire which destroyed the Soda Springs post office and store, wiping out all the personal belonging of Mr. and Mrs. Arthur Couillard and resulting in death for one man, also destoyed a number of valuable records ,trophies and other data which had been kept by Mrs. Couillard.

All the official records of the famous Donner Trail Memorial Ski races, together with a collection of newspaper clippings and a number of trophies, including the permanent memorial race cup, are among the ashes of the fire.

Mrs. Couillard, as chairman of the race committee had all the materials at her home which was destroyed.

Now settled at the Soda Springs Hotel, Mrs. Couillard is going on with her plans for this year's race despite the loss of the records, etc.

She has set the tentative date for the event this year on March 20, and with the entry list of other years gone she is asking former racers and those who wish to participate, to contact her.

The race this year will be run in three sections as in the past. Juniors will ski three miles from Donner Summit to Soda Springs; women will go on to Rainbow Tavern, a distance of 11 miles and will ski to Emigrant Gap, a distance of 26 miles in the tiring run.

NEW LINCOLN

TAHOE CITY — Mr .and Mrs. Carl Bechdolt, Jr., were hunting at Marysville last week and trying out their new 1954 Lincoln Capri.

LARGE FARMS

California had a total of 6235 farms containing 1000 acres or more, according to the April 1950 census of agriculture.

Special map of your town. Telephone lines above and below the streets of your community are charted on special maps. When delicate instruments detect trouble, these maps help locate buried cables, conduits, manholes and the like . . . and repair crews can get on the job fast. Large cities need thousands of these maps. And they're an important part of the planning that has helped us bring you good service, reliable service, at the lowest possible cost. **Pacific Telephone works to make your telephone a bigger value every day.**

Tahoe Items

by Jeannette Mitchell

Hello, frineds.

Our skies are overcast at times this Tuesday morning after a week of clear blue heavens. The lake is as grey as the sky overhead and a few feathers of snow are floating down, borne on an east wind so unless the wind changes this will not be much of a snow flurry.

Many of our folks up this way are recovering from a siege of cold that has bordered on pneumonia and we're mighty thankful that no one has been badly confined.

Hear Al Snyder of Lake Forest is on the last lap of his recovery and feeling well enough to think he should get up and about. Bet Pearl keeps him tight to doctor's orders and that's right.

Son, Bob Snyder will be returning from his trip to the bay area.

Pearl received a card from the Bill Hunters who are wintering in Lodi and they are planning on comin gup for Pete Vanni's wedding and will be houseguests of the Snyders. Be nice to see Sara and Bill again.

On the eve of January 7th at Tahoe Inn, 21 friends of Miss Patricia Ann Dunn were present at a shower in honor of her approaching wedding. Pat opened the many gifts looking like a real princess with her electric blue skirt, black sweater and matching blue accessories. Following the opening of the gifts, refreshments were served, including a beautiful cake, the product of Leonard Brury. Pete and Pat will be married January 23 at 10:30 A. M. in the Catholic Church here at Tahoe City and a reception will be held at Tahoe Inn at 1 P. M. Many, many friends join in wishing the favorite young couple a happy and prosperous life. The shower for Pat was given by Mrs. Robert Tonini of Tahoe with the help of many of the local women.

We wish Billie Conner, Jr., a happy birthday which he celebrated January 11. Billie is fast becoming a fine young man.

Was happy to learn that Mrs. Bob Leonardini is doing well after surgery at Tahoe Forest hospital.

Our friend Harry Mead has left us until April 1st. We'll miss his hearty hello, so hurry back, Harry.

The Pfeifer House was buzzing on January 7th with the presence of more than 20 ladies of the Women's Club of Tahoe City who enjoyed a delicious buffet luncheon and a fine meeting presided over by Mrs. Howard Guth.

Denis Sach has left our midst to join the James Martins in Palm Springs where the two men are working. The Sachs were guests of the Imon Mitchells just prior to his leaving.

Will close my letter to you fo this week with a happy thoug. going out to you one and all.

Sincerely,

Jeanette Mitchell.

P. S. A farewell party was given for Odd Hodne at the home of Mr. and Mrs. Kjell Rustad on the eve of January 11. Odd has been one of our favorite young men in these parts and we hate to see him leave but feel sure that in the years to come, we'll be seeing him. Those at the party included Miss Gerri Bean, Mr. and Mrs. Don Humphrey and four young soldier friends of the Rustads, and the hosts.

Tahoe-Truckee School District News

Kings Beach School

Kindergarten and First Grade: We were happy to welcome a new first grader to our class this week. She is Elizabeth Omlar and moved here recently from San Francisco. The class enrollment is now 23.

Many members of the class brough donations for the Junior Red Cross. We discussed how and where the money is to be used and how it helps other people.

Linda Bonne and Vickie Russell each brought a book from home to share. We learned two new games during our physical education class es this week.

Our district nurse, Mrs. Patnoude was here Thursday to give hearing tests.

2ND AND THIRD GRADES: The Silbaugh twins, Suzanne and Nancy moved to Fresno and Raymond Hill moved to Sacramento during Christmas vacation.

Lynn Chatwin brought his flag collection to school Monday. He has 16 and 18 inch flags from Great Britain, France, Italy, Spain and the United States as well as other countries. He has 24 flags.

Suzie Lucas had her first hair cut during the vacation period.

Brad Thompson and Cathie Arney received watches for Christmas because they learned to tell time.

Wednesday we banked $16.82 but we didn't win the htrift banner.

Margy Mandeville returned to our class Thursday. She spent the first part of the week in Berkeley visiting her grandmother.

FOURTH, FIFTH AND SIXTH GRADES: The Kings Beach school is raising money for our Junior Red Cross membership. The amount necessary for each class is 50 cents. Our classroom has gone over the top for their share.

Thursday the 4th, 5th and 6th grades went to the Tahoe Truckee High School to visit the library. Each student checked out one or more books for Mr. Sam's class for our library. While we were at the high school, Mrs. Patnoude, our school nurse, checked the hearing of those who didn't have their test last year. We wish to thank Miss Lawrence, librarian; Mrs. Costa, assistant; Mr. Bergen, principal; Mr. Eaton, supervisor of transportation and Mr. O'Rourke, district superintendent, for making our trip so successful.

Our class has been interested in learning folk and spuare dances. Karen Little brought a square dance record to school and we have been working on the calls and steps for this dance.

DONNER TRAIL SCHOOL

This first week after Christmas we all returned to school and started our new units. The smaller group of children are now working on community and school units while the upper group is working on the second half of the western movement in the U. S. In our western movement unit we have completed our map outlines and will now experiment with different media to put on the map. The smaller children will start a small community map and will make a table city of a typical small community.

This Friday we will have a test on the new words in our units. We will also have tests in arithmetic and spelling. These will be review tests as our report cards will be out soon.

TAHOE LAKE SCHOOL

KINDERGARTEN AND FIRST GRADE: The first graders have finished shingling one side of the roof of the house they are building. The kindergarteners are learning to build houses on colored construction paper.

GRADES TWO, THREE AND FOUR: A study of the trucking industry is now being made in our classroom. We will read stories and draw pictures of trucks. We will tell stories of the trucks we have seen. Later we will construct trucks and use them in the room. During this study we will learn the value of trucks in our community.

All the chlidren are looking forward to the beginning of school ski lessons. Sandra Fellows will be in the advanced class while Mike Marvin and Danny Conners and others will be in the intermediate class. Fred Pfeifer and Mike Watkins are going skiing with us for the first time.

GRADES FOUR, FIVE AND SIX: Children in the advanced reading group worked on a play "The Legend of Sleepy Hollow," which was in their reader and presented it to the class last Friday. Those taking part were Judy Fanger, Diane Speeter, Trent Giannini, Jeff Davis, Doug Ball, Billy Conners, Bill Verner, Chris Poulsen, Sherry Briner, Roberta Buford, Sherry Thatcher and Steven Randall. The rest of the class enjoyed the play.

We welcomed all our class members back after Christmas except Jerie Grinstead, who has gone to Reno for a few months.

We are currently studying for our semester reviews in all our subjects.

TRUCKEE ELEMENTARY

KINDERGARTEN: This week we enjoyed having the 1st graders as guests in our room during music time.

The class greatly appreciated the various contributions of children and parents toward decorating ou rroom for the holidays.

All the chlidren are learning to print their first names.

FIRST GRADE: The first grade shared Christmas experiences the first part of the week. Each one had an opportunity to tell all about his Christmas vacation.

The arrival of the new crayons and pencils was very much appreciated. We had a discussion as to the proper use of both crayons.

SECOND GRADE: We have begun cursive writing. We planted narcissus bulbs this week. Some are in the soil(others in water so that we can watch them grow.

THIRD GRADE: Everyone was happy to return to school after a most enjoyable vacation. We welcomed Margaret Pemberton from Reno to our class.

We did a lot of reviewing and reading, spelling and arithmetic. Those making 100 in the final spelling test this week were Helen Kohl, Dianne Patton, Joey Straub, Dennis Whiteneck, Joe Parkhurst, Linda Hiezer, Ginger Barnes, Kitty Ellis, Darbey DeLisle, Mike Lee, Mary Ann Miller, Pam Rose, Janice Eaton, Gary Brines, Ellen Patnoude and Dianne Kaspian.

FOURTH GRADE: We are studying about the climate regions of California. Donna Gracik and J. C. Roberson are preparing reports about the Sierra Nevada region. Vicki Firpo, Michael Spoon and Richard Donnis are working on a desert unit. We are also making California maps. We are happy to have twins, Patty and Pamela Freeman in our room. We now have 33 in our room.

FIFTH GRADE: Our class has been studying about the weather and what causes it to change. We are keeping a chart of the weather forecasts from the newspapers.

In social studies, we are learning about the New England states and the settlement by the Pilgrims and Puritans. This will lead into a study of Colonial life.

SIXTH GRADE: The sixth grade is going to memorize poems for the PTA.

We have two new girls in our classroom. Their names are Lois Anne Freeman from Sacramento and Mary Pemberton from Reno.

We have elected our class officers. They are Paula Kaspian, president; Stanley Stock, vice president; Susan Scow, secretary; Diane McGihon, treasurer and Arlene Copeland, Sierra Sun reporter.

JOIN THE MARCH OF DIMES

RENO TRIO WILL OPERATE LAKE TAHOE RESORT

RENO — Three Reno residents have obtained a ten year lease for the Zephyr Cove Lodge at Lake Tahoe from owner George Whittell.

They are Alan Bible and Robert McDonald, Reno attorneys, and Gene F. Empey, editor of the University of Nevada extension service. Empey and his wife, Janet, will operate and manage the resort which will be reopened about April 1.

Financial details were not disclosed.

The resort was formerly operated by Mr. and Mrs. Charles F. Wylie who retired at the close of the 1953 summer season and now make their home in San Mateo.

Bible is a former attorney general and McDonald has served in the past as deputy attorney general and as assistant U. S. attorney.

TAHOE YOUTH IS HELD AT RENO ON HUBCAP THEFTS

RENO — A seventeen year old Tahoe City youth was jailed for stealing hubcaps early Monday. The boy did not give up easily after he was first discovered in the act of taking wheel discs, police said.

Earl Games, 1380 Humboldt St., said he discovered the youth removing hubcaps from his Cadillac in front of the Games home at 3:35 A.M. Games attempted to hold the youth but he broke away and fled in an automobile. Police took up the chase from there.

On Colorado River Avenue, the youth abandoned the car and made off on foot. He halted when a shot was fired over his head. Police said he admitted stealing hubcaps from the Games car.

The boy was turned over to the probation officers.

THE DISTRICT'S BUSINESS IS YOUR BUSINESS
"It is essential that the citizens of the United States be informed concerning the activities of their Government."— President Eisenhower
A 1953 California Legislative Act Reads in part:
"The people of the State do not yield their sovereignty to the agencies which serve them. The people in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so they may retain control over the instruments they have created."
Never, since the formation of the Truckee Public Utility District, has there been a closed meeting of the Board of Dirctors.
Every meeting has been open to the public and each and everyone interested is cordially invited to attend any meeting of the Board at any time. The Board meets on the second and last Tuesday of each month at the office of the District at 2:30 P. M.

SAFE DRIVING HINT GIVEN MOTORISTS FOR WINTER TIME

"Clean windshields help make driving safer."

This comment was made by Commissioner B. R. Caldwell of the California Highway Patrol as storm conditions were predicted throughout much of California.

"Highways are more dangerous in bad weather, lower speeds are required for safety, and it is especially important to keep the windshield clean while traveling.

"When necessary, take that extra 'life-saving' minute to stop the car and wash the mud spray from the windshield. Motorists should also remove fog or frost before starting the car to help insure safe operation," Caldwell said.

"One of the most dangerous factors in driving at this time of year, and one that is often lightly regarded," he emphasized, "is the visibility from the driver's seat. Rain, snow, sleet and fog all reduce visibility, but many drivers can't see through their own car windows."

Accident investigations indicate that almost one out of every four accidents happen while adverse weather conditions prevail. A clean windshield instead of a fogged or muddy one would help to eliminate many of these crashes.

"Keep your windshield washed on the outside and keep the car ventilated on the inside to provide the best view of the road; then drive carefully," he said.

MEETING CALLED

Francis C. Lindsay, chairman of the Assembly Interim Committee on conservation, planning and public works, announced that a hearing on planning will be held in Modesto today.

FORT SCOTT

Old Fort Scott in San Francisco was designed after Fort Sumter with 36-foot thick walls.

New Prison Should Be Near Sacramento For Economy, Says Knight

SACRAMENTO — (CNS) —Governor Goodwin J. Knight this week said that in the best interests of the state, the long authorized new state prison should be located somewhere "within 75 miles of Sacramento."

He said the new emdium security institution, first authorized by the legislature in 1947, should not be built in a remote or mountainous part of the state because such a location would involve added state expense for travel and heating.

After discussing the subject of proposed sites with Director of Corrections Richard A. McGee, Knight indicated three areas are in the running—Solano County, San Joaquin County and a recently proposed site near Mira Loma in Riverside county.

A fourth location, in Lassen County, also is under consideration, but Knight's remarks virtually rules out its selection because of its remoteness.

The governor said some groups want the prison in their areas for purposes of economic gain. Knight declared:

"That is not the test. The test is what is best for the state as a whole . . . and not what is best for a particular community."

Residents of several areas considered in the past protested against locating the new prison near them because of possible danger from escapees, and lowering of the values of surrounding real etate.

A site near Sacramento, Knight pointed out, would lie between San Quentin and Folsom prisons, and still be near the new prison reception center at Bakersfield.

In connection with prisons, the Governor said the increasing population of the state and the resulting increase in crime will force the state to deal with the problem. That, and the persistence of juvenile delinquency and "the rat pack thing in Southern California" had led to scheduling of a governor's statewide conference on the subject, he announced.

DEWEY MONUMENT

A monument to Admiral George Dewey, commemorating the victory of Manila Bay, Spanish American War, stands in Union Square in San Francisco.

MAKE 1954 CALIFORNIA'S SAFEST YEAR

A Proclamation

As we begin a new year, we in California have reason for very serious concern at the terrible cost of accidents during the past twelve months:

Traffic accidents killed more than 3,400 people in California in 1953.

Accidents in and around the home killed more than 2,900 people in California in 1953.

In view of these terrible losses and the vastly greater number of painful injuries, causing untold suffering and tragedy in our State, I, Goodwin J. Knight, Governor of California, do hereby urge that all Californians cooperate with the National Safety Council and other safety organizations in a concentrated effort to make the year 1954 CALIFORNIA'S SAFEST YEAR, and to make every community in our State a safe place to live, work and play

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 15th day of December, A.D., One Thousand Nine Hundred and Fifty-Three.

Goodwin J. Knight
Governor of California

ATTEST:
Secretary of State

Property Tax Base In County Assessments Shows Small Decline

Property tax base per person in Nevada County this year averages $1,711 compared with $1,752 last year and $1,217 for 1949-50, the California Taxpayers association reported today.

This year, per capita valuation of property in the county is 40.6 per cent higher than it was for 1949-50.

Taxable value of property in the county for 1953-54 is 36 per cent greater than in1949-50. This year's valuation is $33,022,910, as compared with $24,211,930 for the 1949-50 fiscal year.

State Reminds Employers On Filing Tax Forms

Employers who are now preparing forms W-2 for the U. S. Bureau of Internal Revenue should also be preparing Forms 599 for the California Franchise Tax Board states Robert C. Kirkwood, the board's chairman.

Employers must report to the state for each employe who, during 1953 was paid $2,000 or more if single, and $3,500 or more if married. Payments must be reported for services rendered in California even though the employee resided in some other state. Also, if the employee is a resident of California a Form 599 must be filed even though the services were performed outside of California.

Copies of federal Form W-2 may be used in lieu of state Form 599 provided it is clearly indicated whether the employee is single or married and they must be accompanied by Form 596 and filed with the franchise tax board on or before Monday, February 15, 1954.

EARLY DATES

The Stockton and Sacramento State Hospitals were founded in 1851.

NANCY JONES CITED BY GENERAL DEAN FOR WAR EFFORTS

Miss Nancy Jones, daughter of Judge and Mrs. George L. Jones of Nevada City, has been signally honored by Major General William Dean for her work among the soldiers during the bitter Korean fighting.

She was chosen by General Dean as one of the women of the year.

He said in part: "In 1953 they worked in wind swept hospital tents 10 minutes by helicopter from where the shells burst. They met life in harsh moments—when it hovered one heart beat from death.

Their hands reached out unfalteringly at an unknown soldier's cry. When hope ebbed each face remained compassionate because it was often the last thing on earth a soldier saw.

"You may not recognize these great women but they are enternally engraved in hundreds of young American's hearts.

"They are the United States Army nurses and the Red Cross hospital workers. I salute them. They stand without rivals as the women of the year."

Jones, former judge in Nevada County's Superior Court, is a native of Truckee and his daughter is well known here.

DONNER SKI BUS FIRM INCORPORATES

SACRAMENTO — (CNS)—Articles of incorporation for Donner Ski Bus Corp. have been filed with Secretary of State Frank M. Jordan.

The Placer county concern, authorized $10,000 capital, listed as directors Morse Erskine, 2nd, 321 Glendale, Hillsborough, Catherine E. Kenny, 2580 Greenwich street, and Lorrayne G. Braub, 2648 Great Highway, both of San Francisco.

CHAMBER PROPOSES TO ASSIST PLANS FOR STATE SERVICE

The Truckee Chamber of Commerce held its first meeting of the new year with the newly elected president, Howard Newsham, presiding at Brown's Cafe Tuesday evening.

Newsham started the chamber's business off by appointing a membership, publicity and sports committee.

Other new business acted upon was the Truckee chamber taking up the problem of local residents not receiving unemployment payments and apparent lack of coordination in handling claims.

The chamber also discussed the inability of local motorists not being able to obtain department of motor vehicle service here with the exception of once a week. It was decided to write letters to the departments concerned in an effort to obtain the services required.

The new meeting nights of the chamber will be the first and third Tuesday of each month at Brown's Cafe starting at 6 P. M.

A survey of accomodations available in the area is being made at the present time so that the chamber can answer inquiries with up to date information.

GET BUM'S RUSH
From the files of the Grass Valley Union fifty years ago comes the following story: Firebugs tried repeatedly to burn down the Truckee business section. Finally all suspicious characters were rounded up and given the bum's rush out of town.

Truckee Area Missed As Storms Lash Over Scattered Regions

With only little more than one inch of snow on the ground at Truckee and with Highway 40 over the Sierra open and no skid chains required, it is not surprising that local residents smile as they read of storm conditions in other parts of the country.

.... Three inches of snow fell at Reno, according to the reports, Monday night—chains advised from Reno to Hirschdale. Seven inches of snow blanketed Las Vegas yesterday morning. Highways between Bakersfield and Los Angleles were closed Tuesday night by snow, opened on Wednesday morning but chains were required. San Francisco reported its heaviest rain storm of the year and elsewhere the weather was news—but not on the High Sierra in this region.

New York and Washington in the far east were covered with two feet and temperatures were down to 26 in the Fresno area.

And in this area—where more snow falls, according to weather observers, than anyplace in the country, only the higher elevations have enough for winter sport activities.

HELD FOR IDAHO
Frank Cullen, 65, was apprehended at Norden by Deputy Sheriff Roy Waters and Constable N. F. Dolley Tuesday and is being held for St. Maries, Idaho, authorities on a forgery and grand theft warrant, Waters reported.

At Fort Ord—
William Frey is having his basic army training at Fort Ord, Calif.

Holiday Guests—
Mr. and Mrs. Rex Reid had Mr. and Mrs. F. McMahon and baby as their holiday guests. The visitors left for their home in southern California Sunday.

Visit in Valley—
Mr. and Mrs. William Gautsche left today to visit Mr. and Mrs. G. Gautsche at Sacramento. The latter is in a Sacramento hospital having sustained a broken hip in a recent fall.

SKI TEAMS CHOSEN AS TRYOUTS HELD AT SUGAR BOWL

NORDEN — The wonderful snow conditions and warm sunshine at the Sugar Bowl over the weekend were a contributing factor to the successful team tryouts held here by University of California skiers under the direction of Coach Leif Sommerseth.

The following students have been chosen to represent the university in the forthcoming collegiate ski meets: Bart Prom, Howie Norton, Bob Bittner, Dick Strong, Frank Wajda, Lee Rhodes, Carson McKissick and Herbert Avanzini, the latter an exchange student from Austria.

The Sugar Bowl Ski Club has also selected its racing team for the season. They include Leif Sommerseth, Carl Arness, Dayrell L. Bate, Hannes Beehm, Mark Noble, Jr., and Earl Ruffa for the men's squad; Babette Haueisen, Beverely Graham, Jackie Dubson, Barbara Rhodes and Mary Paget on the women"s squad.

Junior racers for the ski team are Kit Schull, Jim Schull, Jim McIntosh, Wiggs Jones, Johnson Edwards, Patsy Nast and Nancy Bacon The number of visitors to the Sugar Bowl during the holidays was the biggest in the history of the resort. Comments on the Magic Carpet were enthusiastic and promise a successful season.

Boy is Better—
Bernal, youngest son of Mr. and Mrs. Barney Phipps of Broderick is reported to be improved following an operation earlier this month.

Home from Utah—
Mrs. Elizabeth Farrell returned from Salt Lake City Sunday following a three weeks visit there.

Hostess to Club—
Mrs. John Neugebauer was hostess Monday evening to members of her card club. Refreshments were served after the games.

Diaz Gets License—
Hermengildo Diaz of Truckee and Pauline A. Marin of Sparks, Nevada, were issued a marriage license at Reno during the week end.

EXPORTS HIGH
Exports through the San Francisco Customs District in 1952 to Canada were valuedl at $20,779,537.

LARGEST PROJECT
The world's largest irrigation project is that of the Missouri River Basin, 6,000,000.

Unemployment Claims Under Study By State As Changes Planned

Ralph Planteen, assistant director of the Department of Employment at Sacramento said he would make an immediate investigation of the claims that a large number of unemployed workmen in this area are not receiving their unemployment payments.

Planteen's promise followed a denial from the office of the Nevada Department that arrangements had been made between the two states whereby Nevada would have an itinerant office established in Truckee to service claims in this district. D. H. Roney, manager of the interior area, said such arrange ments had been made. Officials in the Nevada office were out of the office when an inquiry was made relative to the dates the itinerant office would be opened here, but a spokesman said that no such arrangement had been made but only discussed.

Planteen indicated that steps will be taken immediately to make any correction deemed necessary and said his department would definitely work out a solution.

Albert B. Tieburg, field representative for the Sacramento-Auburn area, said yesterday that Nevada officials would render a final decision on the Truckee matter Monday and that next Wednesday an announcement will be made. In event the Nevada people cannot handle Truckee with an itinerant office setup, he declared, local claimants will be serviced either by mail out of Auburn or through the establishment of a local representative.

Those at Lake Tahoe will continue to be serviced at the office at Crystal Bay.

Sam Goss, president of Carpenters Local Union at Lake Tahoe said a number of people there are hard pressed financially because of the slowness in receiving their checks. He plans to go to Sacramento next week to discuss the problem with state officials.

In the meantime, Mrs. Mary Harrison, a former department of employment employe, experienced in unemployment problems, said she would reinter the service to handle local problems provided Sacramento officials desired.
